Application for Cost Reimbursement of Expenses to Carry out Your Restoration Project

Thank you for your efforts to restore and protect streams and/or wetland habitats in the Okanogan Highlands. OHA will review your application for reimbursement of expenses for the materials needed to carry out your restoration project. Eligible projects are reimbursable up to a total of \$1,500.

Landowner Name:

Submission Date:

Phone Number:

Address:

Email:

1. Briefly describe the stream or wetland habitat that will be protected (location, approximate size, type of habitat, wildlife, etc.).

2. Describe the need for this project (e.g. threats, issues to be resolved).

3. Outline your plan to restore and/or protect this resource. If you have worked with anyone on this plan please state their name and affiliation.

4. Do you have, or are you working to put, a conservation easement on the property?

yes no

5. How does this project fit with OHA's goals and values?

6. Work to improve wetland habitat can be a learning tool. Are visitors welcome to the site?

- No
- Yes, during project implementation, with permission
- Yes, during and after project implementation, with permission
- N/A, the public is always welcome to this site

7. What materials and/or labor costs do you anticipate will be incurred for this project? Please break down costs below.

Description of Materials/Labor/etc	Cost (\$)
	Total Project Cost:
	OHA Funding Request:

8. If you are self-funding, or receiving other financial support please detail those amounts. If you are applying for OHA funding to help fund a cost-share agreement, check:

Funding Source:	Amount:

6. Required permits and approvals have been received (i.e. JARPA, HPA, Shorelines, etc.) and approvals are attached to this application.

Yes

No
